

Textures

Textures are simply the best product for industrial or high traffic areas. The tough textured surface resists fingerprints, grease and grime, giving you a great-looking sign that is virtually maintenance free!

The Textures are laserable, UV stable and outdoor weatherable.

Textures Sign Kit item #9033

Rowmark's Textures Sign Kit features finished signs fabricated with Rowmark materials and mounting systems. The Sign Kit is offered as a way to display finished signs using Rowmark products in your showroom and are available for purchase through www.rowmark.com.
